ANNOUNCEMENT

A NEW ADVANCED SEMINAR COURSE:
OSE SEMINAR SERIES

UNM’s Optical Science and Engineering (OSE) is pleased to announce the OSE Seminar Series course (PHYC 500, CRN 52326 Section 018). This seminar course will feature a series of talks focused on the latest research in the field of Optical Science and Engineering. The speakers will include world wide experts in the field of optics from academia, industry and national labs, as well as OSE faculty and students. The class will meet usually every Thursday from 11:00 AM to 12:00 PM at the Center for High Technologies and Materials (Room 101). Certain events will be held at the Department of Physics and Astronomy (Room 190). Registered students will receive 1.0 credit hours for a successful completion of the course.

All new incoming OSE students are required to sign up for the course. All continuing OSE students from all tracks are highly encouraged to take the course. Students from other disciplines are welcomed!

Primary Sponsors: Department of Physics and Astronomy
Department of Electrical and Computer Engineering
Center for High Technology Materials (CHTM)

Joint Sponsors: IEEE Photonics Society (UNM Student Chapter)
SPIE (UNM Student Chapter)
OSA (UNM Student Chapter)
